DEPUTY CLERK

Dear Mr. Dehoyos-Martinez:

My office has just received word that the Court of Appeals has granted our recent motion to suspend the briefing schedule in your appeal until 30 days after we receive the record on appeal. A copy of our motion was mailed to you on January 15, 2009. As noted in our motion, we were informed by Beverly Nolden, Deputy Clerk with the District Court, that the court record was sent to you in November of 2008, so that you could use it to prepare your brief. It is also our understanding that the record is still in your possession.

Because we cannot respond to your brief until we are in receipt of the record, I ask that you mail the record to me at the following address as soon as possible.

Joseph H. Gay, Jr.

Sincerely,

JOHNNY SUTTON
